Dear Madam

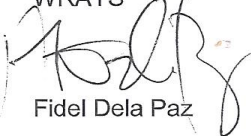

**Australian Patent Application 2003260797**  
**Christos Papageorgiou**  
**Floating Solar Chimney**  
**Our ref: 115420:FD:PH:lt**

With reference to the subject patent application and in anticipation of a first examination report the applicant seeks to amend the specification as enclosed in the statement of proposed amendments. We enclose herewith:

1. Statement of Proposed Amendment;
2. Substitute description pages;
3. Marked up version of the amended description;
4. Substitute claims 1 to 7; and
5. Marked up version of the amended claims.

We request the amendments be taken into consideration when examination occurs.

Yours faithfully  
WRAYS

Fidel Dela Paz
